20.-21.
JANUAR
2017

INVITATION

BEST OF WORLD CONFERENCE ON LUNG CANCER 2017
20th – 21st January 2017
At Comwell Conference Center, AC Bella Sky
Copenhagen, Denmark

Dear colleagues

On behalf of the Organizing Committee of the 3rd Scandinavian Post-WCLC meeting we welcome you to Copenhagen on 20th – 21st January 2017.

The Best of WCLC meeting will summarize the most important highlights from the International Association for the Study of Lung Cancer (IASLC) 17th World Conference on Lung Cancer (WCLC), in Vienna, Austria December 4-7 2016. The meeting is held in collaboration with IASLC, and the content will be reviewed by acknowledged Nordic speakers.

The meeting follows the success of the first and second Scandinavian “Best of WCLC”-meetings that was held in Copenhagen 2013 and in Oslo 2015. It is planned to be held after every WCLC in the future, and will be a forum where the latest news and data in the field of Lung Cancer are presented and discussed in a Nordic environment.

Participants from all the Nordic countries within all specialities involved in lung cancer treatment are warmly welcome!

Participation is free of charge and includes accommodation in Copenhagen, lunch, dinner and refreshments during breaks in the programme. Participants will organize and pay for their own transportation.

Welcome!
