INVITATION

BEST OF WORLD CONFERENCE ON LUNG CANCER 2017
12th – 13st January 2018
At Radisson Blu Scandinavia Hotel, Denmark

Dear colleagues

On behalf of the Organizing Committee of the 4th Scandinavian Post-WCLC meeting we welcome you to Copenhagen on 12th – 13st January 2018.

The Best of WCLC meeting will summarize the most important highlights from the International Association for the Study of Lung Cancer (IASLC) 18th World Conference on Lung Cancer (WCLC), in Yokohama, Japan, October 14th -18th 2017.

The meeting is held in collaboration with IASLC, and the content will be reviewed by acknowledged Nordic speakers.

The meeting follows the success of previous Scandinavian “Best of WCLC”-meetings. It is planned to be held after every WCLC in the future, and will be a forum where the latest news and data in the field of Lung Cancer are presented and discussed in a Nordic environment.

Participants from all the Nordic countries within all specialities involved in lung cancer treatment are warmly welcome!

Participation is free of charge and includes accommodation in Copenhagen, lunch, dinner and refreshments during breaks in the programme. Participants will organize and pay for their own transportation.

Welcome!

Odd Terje Brustugun
Drammen
Hospital, Norway

▲ Åslaug Helland
Norwegian Radium
Hospital, Norway

▲ Peter Meldgaard
Aarhus University
Hospital, Denmark

▲ Azza Khalil
